Language

Simple and Compound Sentences

- A clause is a group of words that has a subject and a verb.
- An independent clause can stand alone as a sentence. A simple sentence has one independent clause.
- A compound sentence has two or more independent clauses, usually joined together with a coordinating conjunction.
- Watch the following powerpoint to see how to join two sentences with a conjunction.

AL History

We will continue learning facts about Alabama's land regions.

We will also learn features of an Alabama map.

We will identify Alabama's three main river systems and their importance.
