April 23 – 27, 2018

Language

Some adjectives have special forms for comparing.

- The adjective **good** becomes **better** when comparing one noun with one other noun.
- **Good** becomes **best** when comparing one noun with two or more other nouns.
- The adjective **bad** becomes **worse** when comparing one noun with another noun.
- **Bad** becomes **worst** when comparing one thing with two or more other things.

Alabama History

We will focus on Language and Spelling this week. We will return to Alabama History next week.
