Language

Homophones are words that sound alike but have different spellings and meanings.

Some pronouns are also homophones.

Mark is on *their* team.

They're going to win the game.

There will be prizes for the winners.

Homophones include contractions and possessive pronouns such as: your/you're, its/it's, and there/their/they're

AL History

We will begin to study the importance of industry for Alabama in the late 1800's, comparing our city to our sister city of Birmingham, England.
