

Miss Sloan's Newsletter

April 2- 6, 2018

Language

- Comparative adjectives are used to compare two things. These adjectives usually end in -er or include the word more (or less). Today is **colder** than yesterday.
- Superlative adjectives are used to compare three or more things. These adjectives usually end in -est or include the word most (or least). The living room is the **biggest** room in our house.
- The comparative form of good is better, and the superlative form is best.
- The comparative form of bad is worse, and the superlative form is worst.

AL History

We will finish our look at first-hand/second hand accounts looking at a text about World War II.
