

Miss Sloan's Newsletter

November 6 - 10, 2017

Language

The main verb in a sentence tells what a subject does or is.

A helping verb helps the main verb show an action or make a statement.

Helping Verbs:

have, has, had, can, may, must

Example:

He had cooked every day last week.

AL History Study Guide

We will be sequencing the steps of Alabama's entry into statehood. We will identify the terms squatter and speculator as many settlers moved into Alabama.

We will look at the observance of Veteran's Day.
